QUOTE DETAILS

Quote no.	GK-2026-D014
Issued	November 1, 2026
Valid until	December 1, 2026
Timeline	3–4 weeks

Custom GIS Dashboard

DASHBOARD / TOOL

An interactive web dashboard with maps, filters and charts so your team can explore data on its own. Typical range $1,500–5,000; this sample is $3,200.

TYPICAL RANGE
$1,500–5,000

#	ITEM & DESCRIPTION	TIMING	AMOUNT
01	**Discovery & requirements** Kickoff call, user goals, data inventory, wireframe of the dashboard layout.	Week 1	$400
02	**Data preparation** Cleaning, joining and geocoding source data; set up optimized map-ready layers.	Week 1–2	$700
03	**Dashboard build** Interactive map, filters, search, summary charts and pop-ups, styled to your brand.	Week 2–3	$1,500
04	**Testing & QA** Cross-browser and mobile checks, data accuracy review, performance tuning.	Week 3	$350
05	**Handoff & training** Deployment, user guide, admin notes and a 45-minute walkthrough session.	Week 4	$250
+	**Managed hosting** OPTIONAL Hosting, monitoring, backups, security updates and cloud costs up to a set limit.	Monthly	from $150/mo
+	**Additional work** OPTIONAL New features or changes beyond the agreed scope.	As needed	$95–125/hr

Terms

- 50% deposit to begin; balance due on delivery.
- You own all final deliverables, code and data outputs.
- Quote valid 30 days, through December 1, 2026.

Optional managed hosting

- **From $150/mo**, or from **$1,620/yr** billed annually (save 10%).
- Covers monitoring, backups, security updates & cloud costs up to a set limit.
- Usage above the limit is billed at cost plus a small margin.
- Setup is included when GeoKnight builds the project.

SUMMARY

Discovery & data prep	$1,100
Build	$1,500
Testing & handoff	$600

SAMPLE TOTAL **$3,200**

50% deposit	On delivery
$1,600	$1,600

Satisfaction & revisions

Scope: your fixed quote defines what's included.
Revisions: 2 rounds included; extra work is a change order at $95–125/hr.
Acceptance: 7 days after delivery to approve or list issues; no reply means accepted.
Bugs: bugs or missed requirements fixed free, with a 30-day bug-fix warranty. Void for parts changed by you or a third party, or hit by changes to outside services, data or hosting we don't manage; those are fixed at our hourly rate.
Cancelling: deposit non-refundable once work starts; you pay for finished milestones and keep that work. If we can't deliver what was quoted, the unfinished part is refunded.
Hosting: month to month, cancel anytime, data export on exit.
Concerns: a call within 2 business days; unresolved disputes go to mediation in Duval County, FL.

HOW IT WORKS

1. **Request** — Tell us what you need
2. **Discovery call** — Free 30-min scoping
3. **Fixed quote** — Clear scope & price
4. **50% deposit** — Locks your start date
5. **Build & review** — Previews + 2 revision rounds
6. **Delivery** — Files, docs & handoff

This is a SAMPLE quote for illustration only. Example client, figures and scope; your fixed quote is confirmed after a discovery call.
